METROPOLITAN DISTRICT WORKING TIME-TABLE

PARTS I AND II

VERSION 82B

SUBURBAN GOODS TRAIN TIME-TABLES

(COMMENCING 1ST NOVEMBER 1982)

Due to the lead time required in the time-table production programme, it was not possible to have the various suburban goods train time-tables printed along with the remainder of the Working time-table.

Therefore, it is necessary for the following pages to be neatly inserted - the white pages into the Part I book and the yellow pages into the Part II book as indicated by the page numbers.

It should be noted that there are no regularly run suburban goods trains on Sundays.

All concerned to note, suitably insert the attached pages in the respective Working Time-Table books (Version 82B), and arrange accordingly.

F. J. BLENCOWE
A/CHIEF OPERATIONS MANAGER
